Dear Members and Friends of the Catholic Psychotherapy Association,

You are invited to partner with the Catholic Psychotherapy Association at our annual conference in Minneapolis, MN, on April 27-30, 2022. We will meet in person for the first time in 2 years! We are excited to meet again - face to face - with our friends and colleagues. The year 2022 marks 20 years of the Catholic Psychotherapy Association engaging in this work as a community of mental health professionals supported by our sponsor and affiliate members. Will you join us to share this milestone and show your support?

Enclosed you will find a letter of welcome from the Most Reverend Bernard A. Hebda, the Archbishop of St. Paul and Minneapolis, as well as our current prospectus. For a taste of what the CPA conference has to offer, view one of the highest rated presentations from the CPA 2021 virtual Conference: Application of Culturally Informed Treatment of Hispanic Seminarians, [HERE](#).

Grace Transforms Nature is the theme for the 2022 CPA conference. Presentations will answer the question, “what is Catholic psychology and psychotherapy?” from a multidisciplinary perspective. Speakers will address the foundations of our understanding of the human person according to Catholic anthropology, formation of Catholic mental health professionals, and the remarriage of truth and sound psychological practice. Particular attention will be given to topics related to ethics and the education, supervision, and continued formation of mental health professionals.

As we celebrate, we will renew focus on the Eucharist as the center of our faith and the living representation of how God takes something so ordinary - bread - and transforms it and elevates it. If He can do this with bread, imagine what He can do with the work of the Catholic Psychotherapy Association? He can take the ordinary work of our profession, transform it and elevate it to be a living, working mission of healing and restoration of the mental health professions.

We hope that you will take part in our mission and [register](#) with us today!

CATHOLIC PSYCHOTHERAPY CONFERENCE • APRIL 27-30, 2022 • MINNEAPOLIS, MN

ARCHDIOCESE
OF
SAINT PAUL &
MINNEAPOLIS

OFFICE OF THE ARCHBISHOP

April 26, 2021

Dear Sisters and Brothers in Christ of the Catholic Psychotherapy Association,

I look forward to welcoming you to the Twin Cities for the 2022 Catholic Psychotherapy Association Conference. Our Archdiocese will be blessed to have you here. It is my sincere hope that your time in the Twin Cities will be fruitful for you and for those whom you so generously serve. I am praying that a healthy dose of Minnesota hospitality will be just what you need for renewal and refreshment.

The global Covid-19 pandemic certainly highlighted the importance of mental health professionals, especially those who successfully integrate into their work our Catholic understanding of the human person, family, and society. I am grateful that your collective service so eloquently responds to Pope Francis' call that we be a "listening Church" centered on accompanying especially those in need.

Please be assured of my prayers for your gathering. Through the intercession of the Apostle Paul, our Archdiocesan patron, may the Lord bless you—and your time together—in abundance.

In the midst of a global pandemic, your presence is a source of hope.

Sincerely in Christ,

Most Reverend Bernard A. Hebda
Archbishop of Saint Paul and Minneapolis
