

Consecration Prayer
(Mother Adela Galindo, SCTJM)

Sacred Heart of Jesus, have mercy on us.
Immaculate Heart of Mary, pray for us.

O Sacred Heart of Jesus, you are the fountain from which flows, with power and strength, the Blood and Water that purify, transform, vivify and liberate our hearts, bringing us to conversion. It is in your Most Sacred Heart that we find the fullness of love and peace.

To your Heart, O Lord, I desire to consecrate the Catholic Psychotherapy Association. Through this consecration I ask you to pour over our members and our work graces of wisdom, of justice, of honesty and of fidelity to the teachings of the Magisterium of the Church. May I and the work I do be instruments of your Sacred Heart for the sincere well-being of all. May I become a channel of grace to others and to a world so in need of your love, truth, light, justice and mercy. Consecrated to your Sacred Heart, may I build, with my life and work, the civilization of life and love.

O Immaculate Heart of Mary, sure path to the Heart of Christ, mother and teacher of the human heart, model of unconditional service. It is our desire to live in your Immaculate Heart so as to learn to love unconditionally the Heart of Jesus, your Son. Through your Heart, may we truly obey Him and serve Him with all generosity, responding diligently to the desires of His Sacred Heart.

To your Heart, Oh Holy Mother, I wish to consecrate the Catholic Psychotherapy Association, myself, my life, my heart and my profession. May I be protected from the forces of evil, from the mentality of the world and from the attractions and illusions of my flesh, to be a fit instrument of the Sacred and Immaculate Hearts for the healing and restoration of many human hearts and lives, especially those who suffer and are entrusted under my professional care.

O Hearts of Jesus and Mary, through this consecration of the Catholic Psychotherapy Association, my life and work, I place myself freely and entirely to the service of Christ and humanity, through Jesus' Sacred Heart and the Immaculate Heart of Mary. May your Hearts, Jesus and Mary, triumph in the Catholic Psychotherapy Association, through me and my work, and in every person that will be under my care and in all institutions where I may serve. With all our lives, we desire to promote and to establish in the hearts of all men the Reign of Love found in the Hearts of Jesus and Mary. May the Catholic Psychotherapy Association, my life and my work be at the service of your Sacred and Immaculate Hearts. Amen.
